

## PSYCHOLOGY

### Recommended candidate profile

The **recommended candidate profile** for admission to the Bachelor's degree in Psychology is as follows:

- Candidates should have the competences envisaged in the Spanish **baccalaureate** studies in any of its pathways, including basic knowledge of Biology and Mathematics/Statistics.
- Previous studies in **Psychology** or related subject areas.
- Have a knowledge of **Spanish** and **English** of at least B1 level and a commitment to reaching the level determined by the degree.
- Applicants **wishing** to study subjects in **Basque** should have knowledge of this language.
- A good **academic record**.
- Have an interest and curiosity in understanding the workings of the human **mind** and **behaviour** and in the well-being and development of individuals.
- An ability for interpersonal relations and **sensitivity** to the needs of others.
- A capacity for self-reflection, openness to personal knowledge and maturity.

These recommendations refer to the characteristics required to develop the competences in this degree programme. These aspects will therefore be positively assessed in the selection process.
