

Entry requirements

- **Academic background:** University graduates or university graduates, and Technical graduates or engineers.
- **Experience:** Experience and practical training in the field of humanitarian action or social volunteering in governmental, intergovernmental, and/or non-governmental organisations and institutions, as well as personal motivation.
- **Language skills:** Fluency in Spanish and English. For those students who wish to do the second semester of the Master's degree at the Université Aix-Marseille, a good command of French is also a requirement.

To have a C1 level (according to the Common European Framework of Reference for languages) in English, as this language is a prerequisite for the training process. The three certificates and their scales that can be used to accredit the level of English are:

- TOEFL iBT Special Home Edition Test: Minimum score of 93.

- IELTS: The average score must be 6.5 and cannot be lowered in any of its components, in any of its components.

- CAE: Cambridge Certificate in Advanced English (CAE), C1 or Cambridge Proficiency in English (CPE), C2.

In addition, level C1 will be required in the languages in which any part of the programme is taken. In cases where the student has difficulty in clearly accrediting his/her clearly accredit the language level, this requirement will be verified by an interview carried out by representatives or by a telephone interview.
